YOUTH HAPPENINGS

On behalf of Pastor Ryan:

We want to extend a MASSIVE thank you ...

- To the team of youth leaders, who this year really went above and beyond the call of duty;
- To the parents, who somehow found patience and flexibility to hang-in, and read tonnes and tonnes of emails with ever-changing instructions;
- And to the students themselves, who have been through a lot, and yet are more resilient, and smarter, and cooler than ever.

We finished the youth year last week with zoom calls on Wednesday and Thursday. As restrictions are eased, and the good weather continues, we are hopeful that we can plan a few outdoor summer youth events. Ryan will be in touch with you when the time comes. The staff will be praying for students and teachers! As exams are written in a few weeks, and as the school year comes to a close, whether that ends online or in-person.
